This matter comes before the Public Service Commission of South Carolina (the Commission) by way of Petitions to Intervene Out of Time filed on behalf of United Telephone Company of the Carolinas (United) in the above-referenced Dockets.

In support of its Petitions, United alleges that it is a provider of intraLATA telecommunications services in the State of South Carolina and the Commission's decision in this proceeding may have a direct and material effect on and may determine legal rights and duties of United. Additionally, United notes in its Petitions that the proposed hearing date is not scheduled until September, 1992 and that its intervention will not prejudice any

parties in these Dockets.

The Commission has considered the Petitions to Intervene in the above-referenced proceedings filed by United and finds that good cause has been shown by United to be allowed to intervene in this matter. Additionally, no party's rights will be prejudiced by the intervention of United in this matter.

IT IS SO ORDERED.
